

30 /01 /2014.

**Subject: TREC Training course for international judge trainers and PTV course designers.**

A new TREC carriage course for retraining of international TREC judge trainers and PTV course designers, decided at the FITE AGM, will take place in Holland on April 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup>, 2014 in Eersel.

We will explain the possibilities of developing TREC carriage events, the role of the judges' trainer, and the importance of retraining course being introduced in each NETO.

The PTV course designer function will be addressed, so as to allow participants to acquire sound knowledge of the philosophy and design of courses.

Practical sessions and accommodation will be on site.

Thierry Maurouard, FITE Technical Delegate, will supervise the week.

Each NETO can send two trainers. Additional applications will be studied on a case by case basis according to availability.

**This course is for international TREC judges, and as a priority:**

1/ Future judge trainers, proposed by the NETOs who don't have their own, in particular NETOs who have already participated in international FITE events.

2/ Future judge trainers for NETOs who have not yet participated in international TREC events.

3/ International judges whom NETOs wish to see become trainers replacing those who have become unavailable, plus those who need retraining.

4/ Trainers unable to attend the last course, if places are available.

The aim of the refresher courses is to harmonise judging during championships.

We would ask you to confirm which trainers from your NETO will be taking part in the course before March 1<sup>st</sup>, and to send their personal details to us, so that we can send out logistics information.

**Dates:** April 4<sup>th</sup> to 6<sup>th</sup>, 2014 – reception of participants from 5PM Thursday the 3<sup>rd</sup>.  
End of the course, Sunday the 6<sup>th</sup> at 4PM.

**Venue:** Paardensport Centrum De Kempen  
Molenveld 5  
5521 NP Eersel, Netherlands  
Website: [www.pck-eersel.nl](http://www.pck-eersel.nl)

### **Training – Food – Accommodation**

The financial contribution for each participant includes training, accommodation, food, rental of the site and all that is needed to put on the refresher course. It will be paid for by participants upon arrival to the FITE Technical Delegate.

The technical organisation, the pacing and cost of the course can be found in the enclosed program.

With our best wishes

Hervé Delambre  
FITE President

Thierry Maurouard  
FITE Technical Delegate
